## GREAT BRITAIN PRICE LIST

SEPTEMBER 2010

Dear Collector,

My next stamp fair is **PHILATEX**, the first week of November and I will give further details in the next price list. I shall however be visiting Stampex on the first day, 15<sup>th</sup> Sept, and if you would like to meet me sometime during the day please ring me to arrange a time and place at the Design Centre, London

I am still very keen to buy collections and surplus worthwhile material that you might have for sale. I am prepared to travel and will pay a high price for stamps and covers that I can use. I am particularly looking for stamps from the reign of KGV1 – controls, varieties, booklet panes and coil-leaders etc.

You can pay for any item(s) in this list by cheque, cash or VISA/MASTERCARD credit/debit cards. I now require the last three digits of the security code number printed on the signature strip on the reverse of your card. Please be sure you quote this number in all future transactions. I can accept stage payments for higher priced items/orders - say one third of the price now and two equal monthly payments thereafter.

**POSTAGE & PACKING** for inland orders, a flat rate of £1 applies and for all overseas orders £2.

There is a 24-hour answering service available when the office is closed but why not send me your orders by e-mail? It's much easier, especially from overseas - [stephen@gbstamps4u.com](mailto:stephen@gbstamps4u.com)

Please note my **fax machine** will only receive a fax if you telephone me first so that I can connect it!

Kindest regards,

E & O.E
